

Assured quality

Our credentials speak for themselves

At Paragon Skills our teams take quality seriously. They work hard to achieve the best results for employers and learners, whether it's through classroom or workplace delivery, administration and support services or the development of technology to constantly improve the service you receive.

Our Ofsted Grade 2 Good rating, Association of Employment and Learning Providers (AELP) membership, 71.4% Achievement rate, and both learner and employer satisfaction scores acknowledge our dedication to providing outstanding quality Apprenticeship programmes. This commitment has helped our business to develop long-standing partnerships with employers and learners alike.

Our teams continually review, evaluate and develop the programmes and services offered to keep up to date with awarding organisation standards and changes to the education system such as employer driven standards* approved for delivery.

Paragon Skills is recognised by the leading governing and regulatory bodies in training and Apprenticeship delivery, achieving their nationally-recognised marks of quality and high performance, including:

- Ofsted Grade 2 Good
- Member of the ESFA RoATP (Register of approved training providers)
- City & Guilds, ILM, AAT, habia, IMI and VTCT approved provider
- AELP (Association of Employment and Learning Providers) membership, supporting the development of policies that deliver high quality, learner-centred, skills and employability services
- The Matrix Standard - Offering quality advice and guidance
- Disability confident committed employer

* Apprenticeship standards show what an Apprentice will be doing and the skills required of them, by job role. Standards are developed by employer groups known as 'trailblazers'.
